Professional Portfolio Evaluation

PLEASE CIRCLE YES OR NO FOR THE FOLLOWING QUESTIONS:

Student Name: _____ Evaluator Name: _____

The purpose of the Professional Portfolio is for students to be accountable for their learning as well as to allow them to stay in touch with their own growth as learners. Each of the items below should be questioned and explored so as to push students to think about themselves and their learning. Do not be afraid to hold them accountable for what they say or don't say.

- YES NO 1. Did the student introduce themselves?
- YES NO 2. Did the student give you a brief overview of the purpose of a digital portfolio?
- YES NO 3. Did the student state his/her goals for after high school?
- YES NO 4. Did the student show you or explain how their digital portfolio might help them achieve his/her goals?
- YES NO 5. Did the student explain the general purpose of each link on their homepage and give you the option to browse them? If so, check the links that you browsed. Did these items appear to be complete and of high quality?
- Resume
 - Letters of recommendation (Recommended for Juniors)
 - Internship (If completed)
 - Community service (Junior = 30 hours)
 - Personal statement (Is current this year)
 - Education
 - 1. Space provided for OR College Units and Coursework completed
 - 2. Grades over the course of high school to date
- YES NO 6. Did the student explain to you the purpose of the 6 learning outcomes and what they are?
- YES NO 7. Did the student show you evidence of at least 3 learning outcomes (excluding the content literacy outcome) that supports that his/her demonstrated growth in that outcome? Depending on their year freshman should have 2 pieces of evidence, sophomores 3 pieces, and juniors 4 pieces. If so, check the links that they showed you.
- Collaboration
 - Citizenship and Ethics

- Critical Thinking/Design Thinking
- Oral Proficiency
- Writing Proficiency
- Work Ethic
- The student showed you that the other 3 outcomes existed within their portfolio

YES NO 8. Was the evidence accompanied by written reflections?

YES NO 9. Did the student explain to you the Learning Outcome "Content Literacy" and show you the appropriate number of pieces of evidence for each subject area?

Please evaluate the student on their speaking skills by checking all that apply:

- The student had a clear speaking voice that was conversational in nature.
- The student maintained eye contact when appropriate during the presentation.
- The student was dressed professionally.
- The student used professional language during their presentation.
- The student was comfortable speaking, they were not nervous and made appropriate body gestures and movements.
- The student was able to answer questions accurately and fluidly.
